

Job Title: Spray Painter
Department: Paint
Wage Classification: Hourly

JOB SUMMARY

Sprays surfaces of machines, manufactured products, or working area with protective or decorative material, such as paint, enamel, glaze, gel-coat, or lacquer, using spray gun.

GENERAL EMPLOYMENT REQUIREMENTS

- High school diploma or GED required.
- Reliable/excellent attendance record.
- Negative drug screen.
- Able to work cooperatively with co-workers
- Adherence to personal protection requirements (safety glasses, etc.)
- Adherence to company general policies and quality procedures.
- Ability to receive and follow work instructions from Lead Person or Supervisor

SPECIFIC JOB FUNCTIONS

Following are some of the principal job functions. However, other duties and activities may be required in performance of this job:

- Paint surfaces of assemblies or antennas using spray painting equipment, power tools and work aids.
- Clean, sand and apply chemical solution to prepare and condition surfaces prior to painting.
- Mix and thin paint or other coating to specified color and consistency according to standard formulas or color charts, using spatula or mixing equipment.
- Mask and cover surfaces not to be painted.
- Spray specified amount of thickness of primer, protective, decorative or finish coatings, such as paint, lacquer, sealer, or enamel, onto prepared surfaces, using spray equipment.
- Strip, sand, mask and repair surfaces, blends and polish finishes to match surrounding areas, manually or using portable power tools.
- May apply or retouch paint using brush.
- May regulate controls on equipment to cure and dry paint or other coatings.
- Must be able to work with various grades of thinners.

PHYSICAL JOB REQUIREMENTS

- Ability to lift up to 50 lbs. with no restrictions
- Ability to work with acetones, thinners, epoxies, solders and sealants and other manufacturing materials without allergic reactions
- Healthy wrist-arm motion – will be using hand tools
- Good hand/eye coordination
- Ability to read process sheets and follow directions
- Approved by an MD for general respirator use; respirator must be worn during spraying.
- Ability to stand and paint for prolonged periods of time

WORK ENVIRONMENT

The employee is occasionally exposed to a variety of extreme conditions. The noise level in the work environment can be loud.
