

UHF OMNI ANTENNA

LOUD & CLEAR®

PRODUCT DESCRIPTION

Model Number	UHF OMNI ANTENNA
Part Number	A3197566
NSN	5985-01-414-2372
Market	Military-Land

The UHF Omni Antenna is an omni-directional antenna designed for vehicular UHF communication. Mounting is achieved using a 2-bolt pattern and is designed for operating temperatures between -22° F and 155° F.

PRODUCT SPECIFICATIONS

Application	UHF Communications
Frequency	395-410 MHz
Impedance	50 Ohms Nominal
VSWR	2.0:1 Maximum
Polarization	Vertical
Pattern	Omni-Directional
Connector	"N" Female
Max Weight	4 lbs.
Gain	2 dBi Minimum
Color	CARC Green
