设计批准认可证

VALIDATION OF DESIGN APPROVAL

编号/No. VDA0368

本设计批准认可证颁发给 R. A. Miller Industries, Inc. (DBA RAMI)。经中国民用航空局审查后确认，下述零部件的设计符合 TSO-C35d。中国民用航空局对由 美国联邦航空局 批准的下述零部件设计予以认可。

This Validation of Design Approval is issued to R. A. Miller Industries, Inc. (DBA RAMI). This Certifies that the type design of the items listed below complies with TSO-C35d. Civil Aviation Administration of China validates the relevant design approval issued by FAA.

产品名称 Parts	型(件)号 Model or P/N (Model)	备注 Remarks
Marker Beacon Antenna	AV-64	

偏离/Deviations:

环境鉴定中相关性能测试按照 RTCA/DO-160D 完成。

In environmental qualification test, Required performance demonstrated under the test conditions specified in RTCA/DO-160D.

局长授权:

For the Administrator of CAAC:

This approval does not constitute an installation approval for each of the parts as specified herein.

The installer must obtain installation approval for use on a China-registered aircraft.
